

ABOUT US :

OKCares, an initiative of the Oklahoma Caregiver Coalition, supports caregivers with education, advocacy, and resources. We provide clear guidance on guardianship and alternatives that protect both safety and independence. Our goal is to make legal and caregiving decisions easier and more informed for every family.

Why Consider Alternatives?

Guardianship is not always the only or the best solution. Less restrictive options can provide the right level of support while helping individuals keep their rights, dignity, and independence.

ALTERNATIVE OPTIONS

- ✓ Independent
- ✓ Supported Decision Making
- ✓ Representative Payee
- ✓ Advanced Directive
- ✓ Power of Attorney
- ✓ Limited Guardianship
- ✓ General Guardianship
