Purpose of the SAAC Network?

With 118 members, SAAC can now be the voice and make changes in their communities.

How will the SAAC Network make changes?

1. Teach people to make decisions.
2. Teach people to say and take action on what is important to them.
3. Help people to be stronger leaders.
4. Show people that they can be independent and participate in the community.

Purpose of the Network Plan
To show how advocacy, independence and choice can make changes in people’s lives.

Advocacy – Speaking up for ourselves about what is important to us.

Choice – Making a decision about what we want or like.

Independence – Having the freedom to do things on our own.
